---

Richard,

- At John Hebert's request, I have set up a meeting for August 18, Wednesday at 10 AM.
- Attached is a table with a summary of the agenda items mentioned in your prior E-Mails to John.

Summary of Meeting Agency, Table, 7-8-2010.doc

- Please edit the table, responding to the
  1. additional information requested (in brackets) and
  2. questions posed

so that we can have the best meeting possible. Please provide feedback within the next week, if possible.

- Because there are no field uses for Warfarin, you will need to address all data requirements in your submission.
- I will seek permission to have an EFED representative at the meeting.
- I think that you would agree that would be helpful.

Thank You,
